TONGGAK SEJARAH

MILESTONE

Sejarah panjang Perusahaan dapat ditelusuri kembali ke tahun 1970 ketika PT Maskapai Asuransi Indonesia mulai bertindak sebagai Agen Umum untuk Taisho Marine and Fire Insurance Co., Ltd., Jepang. Pertumbuhan ekonomi Indonesia kemudian mempercepat perkembangan bisnis asuransi di negara ini. Lingkungan yang kondusif yang didukung oleh peraturan Pemerintah mendorong pembentukan perusahaan patungan asuransi umum.

The Company's long history can be traced back to 1970 when PT Maskapai Asuransi Indonesia began acting as a General Agent for Taisho Marine and Fire Insurance Co., Ltd., Japan. The country's insurance business development eventually stimulated Indonesia's economic growth.. A conducive environment as supported by Government regulations encourages the establishment of a joint venture general insurance company.

1975

Pada tanggal 22 Oktober 1975 PT Asuransi Insindo Taisho resmi didirikan sebagai perusahaan patungan antara Taisho Marine and Fire Insurance Co., Ltd., Jepang (70% saham) dan PT Maskapai Asuransi Indonesia (30% saham), dengan Modal Dasar sebesar Rp750 juta.

TANGGUNG JAWAB SOSIAL PERUSAHAAN

CORPORATE SOCIAL RESPONSIBILITY

LINGKUNGAN HIDUP

Proyek Penghijauan

Sebagai bagian dari tanggung jawab kami untuk membantu memperbaiki masalah lingkungan global, dalam hal ini kerusakan hutan, serta sebagai salah satu upaya pencegahan terkait dengan masalah perubahan iklim, Mitsui Sumitomo Insurance Co., Ltd. (MSI Japan) bekerja sama dengan pihak-pihak tertentu, melaksanakan “Proyek Pemulihan Hutan Hujan Tropis” di Paliyan, Gunung Kidul, Yogyakarta, dimulai sejak April 2005 - sampai sekarang.

ENVIRONMENT

Reforestation Project

As part of our responsibility to improve the global environmental problem of forest destruction, as well as one of the preventive efforts related to climate change issues, Mitsui Sumitomo Insurance Co., Ltd. (MSI Japan) collaborated with certain parties, conducted the “Tropical Rainforest Recovery Project” in Paliyan, Gunung Kidul, Yogyakarta, started from April 2005 - until now.

Proyek penghijauan ini sudah memasuki empat tahap, yakni:

1) Tahap pertama dimulai pada bulan April 2005 sampai dengan Maret 2011, yang diberi nama “Rehabilitasi dan Regenerasi Suaka Margasatwa, Paliyan, Yogyakarta” dan telah berhasil mencakup area seluas 300 hektar. Adapun ruang lingkup kegiatannya antara lain sosialisasi dan koordinasi kepada pemerintah dan masyarakat tentang proyek, rehabilitasi dan regenerasi daerah yang terdegradasi, pembangunan infrastruktur untuk mendukung proyek ini, serta pendidikan lingkungan untuk siswa sekolah yang dilakukan bekerja sama dengan Universitas Gadjah Mada.

2) Tahap kedua dimulai pada April 2011 hingga Maret 2016. Proyek pada tahap ini dinamakan “Optimalisasi Pengelolaan Kawasan Suaka Margasatwa Paliyan”. Mitsui Sumitomo Insurance Co., Ltd. bekerja sama dengan Kementerian Kehutanan, menetapkan beberapa program yang berfokus pada pemberdayaan untuk aspek-aspek tertentu yang ditujukan untuk komunitas lokal di sekitar proyek pemulihan hutan. Kegiatan di tahap ini terdiri atas pemeliharaan dan pengayaan tanaman, peningkatan kapasitas perlindungan kawasan, melanjutkan survei sosial-ekonomi dan keanekaragaman hayati, meningkatkan kapasitas dan kesadaran masyarakat, serta pengembangan sarana dan prasarana.

Pada fase ini dibentuk sebuah forum bernama “Forum Peduli SM Paliyan” yang melibatkan para pihak guna melestarikan Suaka Margasatwa Paliyan.

This reforestation project has entered four stages, including:

1) The first phase started in April 2005 until March 2011, named “Wildlife Sanctuary Rehabilitation and Regeneration”, Paliyan, Yogyakarta” which covered 300 ha area. The scope of activities includes socialization and coordination with government and the community about the project, rehabilitation and regeneration of degraded areas, physical infrastructure development to support the project, and also environmental education for school students conducted in collaboration with Gadjah Mada University.

2) The second phase started in April 2011 to March 2016. The project at this phase was called “Management Optimization of Paliyan Wildlife Sanctuary”. Mitsui Sumitomo Insurance Co., Ltd. in cooperation with the Ministry of Forestry, established several programs focusing on empowerment for certain aspects aimed at local communities around the forest restoration project. Activities in this phase consisted of maintaining and enriching the planted trees, increasing the capacity for the protection of the sanctuary, continuing the socio-economics and biodiversity surveys, improving the ability and community awareness, and developing facilities and infrastructure.

In this phase, a forum called “Forum Peduli SM Paliyan” was established, involving all parties in preserving Paliyan Wildlife Sanctuary.

3) Tahap ketiga dimulai pada bulan Oktober 2016 dan diberi nama "Penguatan Fungsi Kawasan Suaka Margasatwa Paliyan melalui Pemulihan Ekosistem". Kegiatan di fase ini meliputi pemulihan ekosistem, penguatan kelembagaan, perlindungan kawasan, serta pemeliharaan flora dan fauna.

4) Proyek Paliyan saat ini telah memasuki tahap keempat dengan kegiatan yang sama dengan tahap sebelumnya.

Pada bulan September 2020, Kantor Pusat kami menerima penghargaan Konservasi Alam untuk kategori mitra Konservasi Sumber Daya Alam dan Ekosistem (KSDAE) dari unsur Badan Usaha yang peduli pada penguatan fungsi kawasan konservasi. Penghargaan ini diberikan oleh Kementerian Lingkungan Hidup dan Kehutanan Republik Indonesia.

MSIG Indonesia juga mendukung berbagai aktivitas di Perusahaan dengan konsep ramah lingkungan. Kami percaya bahwa dengan melakukan hal-hal kecil itupun dapat memberikan dampak terhadap lingkungan di masa depan.

3) The third phase started in October 2016 and was named "Strengthening the Function of the Paliyan Wildlife Sanctuary through Ecosystem Restoration". Activities in this phase include ecosystem restoration, institutional strengthening, conservation of the wildlife sanctuary, and preservation of the flora and fauna.

4) Currently the project is in the fourth phase project with the activities same as the previous phase.

In September 2020, our Head Office received an award of Nature Conservation for Nature Resources and Ecosystem Conservation/Konservasi Sumber Daya Alam dan Ekosistem (KSDAE) partner category of the Business Entity element that cares about strengthening the function of conservation areas, which awarded by Ministry of Environment & Forestry of The Republic Indonesia.

MSIG Indonesia also supports various activities in the Company with an environmentally friendly concept. We believe that even doing small things can have an impact on the environment in the future.

PENDIDIKAN

Pendidikan adalah salah satu hal mendasar yang dibutuhkan dalam kehidupan untuk menciptakan individu yang berkualitas dan berkarakter sehingga memiliki pandangan luas ke depan untuk mencapai apa yang dicita-citakan serta mampu beradaptasi secara cepat dan tepat dalam berbagai kondisi.

Berangkat dari alasan tersebut, kami bekerja sama dengan berbagai pihak untuk memberikan kontribusi bagi dunia pendidikan. Kegiatan-kegiatan yang telah kami lakukan antara lain:

EDUCATION

Education is essential to create individuals with quality and character so they have broad foresight to achieve what they aspire to and can adapt quickly and appropriately to various conditions.

Departing from these reasons, we work with various parties to contribute to the world of education. The activities we have carried out include the following:
